## UBEA (Utah Ballroom Education Association) BALLROOM HEAD COACH CHECKLIST:

Coaches, please use the following checklist .....

\_\_\_\_ I have attended UBEA meetings/training virtually or in person to review rules, responsibilities and obtain new and updated resources.

\_\_\_\_ I verify I have looked at the UBEA calendar of events and know when the UBEA/NDCA events are planned.

\_\_\_\_ I verify that all dancer/competitors are full time students as defined by your school/district and are not in violation of the UHSAA Age Rule, Sport Season Rule, Amateur Rule, Transfer Rule, Limited Team Membership Rule, and Physical Examination Rule:

- SECTION 2: Age rule: You cannot turn 19 years old before Sept. 1 the year you intend to play.
- SECTION 3: Sport Season Rule: The Ballroom Dance season has been defined as Sept. 1 - March 31st of any school year. Any student that has tried out, been accepted and then withdraws or is terminated by the coach or administration is NOT ELIGIBLE to try out or participate in any other competitive company for the remainder of the season.
- SECTION 6: Amateur Rule: A dancer may not compete on a competitive team that is made up of professionals; receive compensation or monetary awards for their competition or dancing; or sign a professional contract.
- SECTION 9: Transfer Rule:: Students who previously established eligibility at another high school (i.e. attended another school or studio, or tried out and were selected as a member of a competitive ballroom team) are NOT ELIGIBLE for participation on the competitive ballroom team (at any level) until the team posted tryouts at the new school. The UBEA Board can approve a "Change of Residence" or "Hardship Waiver" application(these are found on "register my athlete"). If you are not on "register my athlete" at your school, please contact the UBEA Membership Registrar directly. The dates for the competitive ballroom team start September 1st and go up until March 31st.
- SECTION 12: Limited Team Membership Rule: After the competition start date for this sport, players are not allowed to compete on any outside team in the same sport at the same competition. (ie. *students on a ballroom studio team AND a high school ballroom team cannot participate or compete with both teams at a competition.*)
- SECTION 13: Physical Examination Requirement (Recommended)  
No student shall be eligible to compete in any athletic contest sponsored by this Association unless such student has a physician's certificate stating that he/she is physically able to compete in inter-school athletic contests.

\_\_\_\_ I verify my players are academically eligible. In the preceding grading period all students earned a minimum of a 2.0 GPA on a 4.0 scale or its equivalent; and do not have more than 1 non-passing grade (this includes an I grade, no grade, or U).

\_\_\_\_ I will verify scholastic eligibility and forward to UBEA by January 20th, 2023.
